Additional Comments
--Instructor was awesome. Available for questions and such and laid back and flexible while still effectively teaching. Would highly recommend him for any course.
--This was his first year teaching here. This is what I expect from a first year teacher still trying to get his bearings.
--Doctor Bracher is a great professor and really helps the students when they have any problems.
--The presentation at the end of the semester needing 5 papers for 10-12 minute presentation seemed a little too much. For 1 credit hour course, this took so much time out of my hands. If it was like 2-3 papers, it would have been less difficult.
--A great Teacher! I wish he taught more courses! He is a fun guy to be around and he really identifies with students!
